

# JACOB SHUMAN

SOFTWARE DEVELOPER

☎ (647) 913-5786

🔑 jacob-shuman

@ jacob.shuman7@gmail.com

I am a **creative** and **experienced** professional **senior-level** developer who has worked on projects that are highly **scalable** and **functional**.

An application is only as good as it's interface which is why I am also experienced in designing highly **accessible** and **performant** user interfaces.
